[19:33] <valates> we wuz kangz

[19:34] <darthradovanviking> oh yeah. It have actually been quite entertaining so far. IT might be that I am just such a big starwars fan. Other then the gameplay being a bit mundane. They made me feel like in the starwars unevecer

[19:34] <djrno1> yo wtf. i just finished playing ac rogue and right after the final assassination random rock music starts and i'm like wtf

[19:34] <darthradovanviking> but that is not your fault

[19:34] <sirnoble> Hello

[19:34] <darthradovanviking> @DarksydePhil

[19:34] <sirnoble> All

[19:35] <darthradovanviking> It's the best of phil volume 3

[19:36] <timboslice> oh yrah

[19:36] <darksydephil> i hope there's still a stage where you play as Vader, and he spends 20 minutes running around collecting items instead of fighting. Kind of like Luke fighting bugs

[19:36] <timboslice> FrankerZ FrankerZ FrankerZ

[19:36] <valates> oh dear

[19:36] <darksydephil> it'd be the culmination of what all star wars fans want!

[19:36] <timboslice> phil ea dont do want fans want :/

[19:37] <timboslice> there reason they voted worst company

[19:37] <darthradovanviking> yeah it's a bit like pandering with what they know the fans want i suppose

[19:37] <darthradovanviking> oh Hans Solo you are so cool. *

[19:37] <darksydephil> well im about to use Lando so....

[19:37] <darksydephil> i guess we'll see how it goes lol

[19:37] <darthradovanviking> hahah

[19:37] <valates> ARES!

[19:37] <vendatus> but Vader is dead LUL story is after Jedi isn't it

[19:37] <timboslice> ea is so lazy they just had to reskin battlefield into star wars

[19:38] <darthradovanviking> kylo is like teenage vader or whatever isn't he?

[19:38] <darksydephil> hes his grandson

[19:38] <timboslice> all i want is battlefront like it was back on ps2 is that hard to ask for?

[19:38] <vendatus> yes

[19:38] <timboslice> grandson

[19:38] <darthradovanviking> yeah because of lea

[19:38] <darthradovanviking> that is true

[19:39] <timboslice> they just announced another 3 movie trioligy is coming but not jj abrams

[19:39] <gutty333> ack ack ack

[19:39] <gutty333> lol

[19:39] <gutty333> wow that laugh

[19:39] <darthradovanviking> you can almost forget that lea is the daugheter of darth. not like there is a You are my daughter scene with here

[19:40] <timboslice> @darthradovanviking lol ture

[19:40] <lickmybussy> JJ isn't directing The Last Jedi either

[19:40] <vendatus> Rian Johnson is doing the new Trilogy so obviously Disney liked Last Jedi
[19:41] <katexo234> TPFufun
[19:41] <timboslicebg> disney will do their typical destroy franchise by making it run too long
[19:41] <weaponjay> Lol what is this?
[19:41] <darksydephil> lol this fucking captain alpacino guy, im so done with him
[19:41] <donofarms> I think George Lucas did that already
[19:41] <darthradovanviking> hahaha
[19:41] <darthradovanviking> is that still going on?
[19:41] <darthradovanviking> @DarksydePhil
[19:41] <katexo234> who Phil?
[19:41] <darksydephil> so he's been hounding me multiple times a day to play SW battlefront ii MP with me despite the fact ive explained to him 3 times that im not going to do any coop or team MP
[19:42] <darthradovanviking> the guy that trolled them in the mp zombie thing
[19:42] <darksydephil> he still thinks he should be able to. so i stopped responding to his stupid emails, and now he's threatened to pull his patron pledge
[19:42] <kinggoken> wow
[19:42] <darksydephil> in his THIRD EMAIL to me today, by the way
[19:42] <katexo234> wow that's crazy
[19:42] <vendatus> At least JJ gets to finish the Skywalker saga VoHiYo
[19:42] <darthradovanviking> well if he doesn't give you a million dollars a month fuck it
[19:42] <timboslicebg> @donofarms the last episode movie was decent and new one looks good im sad to see these characters being done after last jedi
[19:42] <segregate> phil always gets that one annoying guy LUL
[19:42] <darksydephil> so he thinks that threatening me is going to get him into MP tomorrow. yeah, i dont respond well to threats lol
[19:42] <timboslicebg> john rambo Kreygasm
[19:43] <valates> I mean, just embarass him if the harassment on his end is that bad. Im sure it's not that bad, just pestering, no?
[19:43] <valates> what came off as a threat?
[19:43] <donofarms> @timboslicebg I liked it besides its obvious repetition
[19:43] <darksydephil> he literally just said "i will be pulling my pledge on patreon and no longer supporting you unless you have me in MP tomorrow"
[19:43] <darksydephil> thats a direct threat lol
[19:43] <rorke47> its ok phil you do you
[19:43] <suckasurprise> Who said that?
[19:44] <timboslicebg> um
[19:44] <darksydephil> this is after i told him i'm not doing MP with ANYBODY , not just him. he thinks he's special and deserves it lol
[19:44] <timboslicebg> he just wants on your atream phil...
[19:44] <darksydephil> when you get that kind of behavior, that's when you know to just distance yourself as much as you can
[19:44] <valates> that chiky soundbite sounds familiar.....
[19:44] <darthradovanviking> yeah. agreed @DarksydePhil

[19:46] <popsicolo> I still remember when Phil tried beating that one race of the expert campaign of motorstorm.
[19:46] <darthradovanviking> Are you remixing with the OBS error thing or is that in the song?
[19:46] <timbosliceb> sony used motorstorm to sell ps3s at launch

[19:51] <thesupervillain543> oh ok
[19:51] <jovayowolu> DSP - any replay value to the campaign?
[19:51] <renjessejames> A question occurs. What percentage of a patreon donation goes to Phil before taxes? Bits are pretty expensive and the 2.9% paypal charges doesn't seem to bad, but if patreon charges less, that'd be nice.
[19:52] <popsicolo> Land-O-Lakes? KappaHD
[19:52] <darthradovanviking> oh the streams own lando @Popsicolo

[20:02] <succkonlemon> windows 10 fuckd my pc

[20:02] <therealkingghidorah> @DarksydePhil If you beat the campaign early would you consider trying a match or two of Starfighter Assault? It's the one game mode you haven't tried yet.

[20:02] <darthradovanviking> i find it laggy and unstable in comparison to 7

[20:03] <djruno1> i dunno what problems people have. never had any issue with windows 10

[20:03] * theSpiccoli just subscribed with Twitch Prime!

[20:03] <bentboxer> dspHmm

[20:03] <segregate> can I still submit fanart for the pre streams? @DarksydePhil

[20:04] <darthradovanviking> probably depends on hardware and whatever you use it with. But I uppgated my pc.

[20:04] <darthradovanviking> And with windows 10 it's more unstable then 7

[20:04] <valates> @DarthRadovanViking define unstable/

[20:04] <darthradovanviking> pc locking up programs crashing?

[20:04] <jack_spartacus> I miss win 7

[20:05] <valates> blue screen message youre getting?

[20:05] <valates> programs shouldnt crash if you just use compatability mode

[20:05] <segregate> alright thank you

[20:05] <dominonova> cheer45 for some reason bits are more expensive when you buy the on the twitch app than when you are using the PC

[20:06] <darthradovanviking> it doesn't crash the PC it is just laggy

[20:06] <obl1tv> @DominoNova its because of taxes & fees for buying mobile

[20:06] <darthradovanviking> it have become better over time with updates thouhg

[20:07] <darthradovanviking> But I really miss win7 If I could downgrade it would have done

[20:07] <nightbot> renjessejames just tipped \$101.00

[20:07] <darthradovanviking> OOOH

[20:07] <valates> how does patreon not have the capability to have a live value on the public amount? If they have the feature it kinda seems like its just gonna be updated immediately. Where on earth is there any information on patreon making this auto assumption about percentage? Do they just knock 10% off of people who earn ~30k a month?

[20:07] <popsicolo> PogChamp

[20:08] <katexo234> :O :O

[20:08] <darthradovanviking> nice tip rensessjames

[20:08] <darkness_scorpion> damn

[20:08] <valates> @DarthRadovanViking lag is probably CPU utilization being overdone but Im guessing you know how to check that

[20:08] <thespiccoli> My bad
